

Rambler's Song

(To be sung with gusto, in heroic Russian military style)

We ramble by the seaside, along the ocean shore
When a ramble's over, we want to ramble more

Adversity and hardship, we'll ramble right head-on
And when we get to coffee shop we'll ramble on and on,
and on¹, and on², and on³, and on⁴, and on⁵,

We ramble on the bush track, along the mountain side
We cycle walk and paddle, across Australia wide

Adversity and hardship, we'll ramble right head-on
And when we get to coffee shop we'll ramble on and on,
and on, and on, and on, and on, and on, and on, and on,
and on, and on, and on
